

Sister Marie Rita, Handmaid of Our Lady, has Returned to God

Renée Bobis was born in 1936 and she lost her husband early, but continued with much courage to raise her three children, asking God to aid her.

When she heard of the Apparitions in Frechou, she generously dedicated to the Missions, notably helping in Cameroun and Haiti, where she took care of poor and orphaned children, offering them her assistance as a teacher.

Later on, His Excellency Bishop Jean Marie offered her to join the religious life, to be more totally available to the Work of Our Lady, and she agreed courageously and in great happiness, dedicating herself in the United States: in Chicago and San Francisco, for the less fortunate and the homeless.

After a few years when illness came to try her, strengthening her acceptance of the Holy Will of God, she passed away after having received the Last Rites of the Church, on January 31, 2017, edifying her religious family by her simplicity and her sacrifice.

The Blessed Virgin Mary has come to fetch Her little Handmaid, who enjoys today a happiness that will never end!
